AFRL funds contracts and grants for university research *by Fran Crumb, Information Directorate*

ROME, N.Y. — The Air Force Research Laboratory Information Directorate at Rome has recently awarded contracts and grants totaling nearly \$2.4 million to colleges and universities.

Institutions receiving funds for research programs related to the directorate's information technology mission include:

— Boston University, \$1,700,000, "Stochastic Fluctuations in Gene Regulation."

— Columbia University, \$299,475, "Incremental Learning and Updating of Intrusion Detection Systems."

— University of Southern California, \$204,000, "Distributed Signal Processing over Wireless Networks."

— Research Foundation of State University of New York - Buffalo, \$173,908, "Moving Target Detection and Imaging Using Pulse Diversity PRF Staggering and Randomized Beam Steering."@
